SAINT ÉMILION GRAND CRU CLASSÉ - FRANCE

The Lignac family bought Château Guadet in 1844, in the heart of the village of Saint Émilion. Since then, seven generations have developed the domaine. The 5 hectares of vines, perched on the town's high limestone plateau, have been cultivated organically since 2008, and Biodyvin certification was obtained in 2015.

« Don't wait for a special moment, make it special. Come and visit Château Guadet with my dad Guy-Petrus and I. When passion, winemaking and history get together. »

## WHAT WE LIKE

Real precision work from the beginning to the end.

Biodynamic vine-growing, hand-picking plot by plot, different ageing methods depending on how the juices develop in taste, so many details to reveal the aromatic expression of their terroir.

The result: wines of great finesse, balance and delicacy.
